Event description:	
<p>This document reports the third Steering Committee meeting of the Erasmus+ Capacity Building in the Field of Higher Education project „Development of master curricula for natural disasters risk management in Western Balkan countries“ (NatRisk), held at the University of Defence (UNID), on the 07th of March 2018. The meeting was chaired by Assist. Prof. Milan Gocić. The objective was to introduce to all project partners the most relevant issues of project implementation and future project activities.</p> <p>Thirty four representatives from all 12 partner institutions were present at the meeting. After the participants' registration which started at 15:00, Milan Gocić presented the overview of the realized activities and achieved results during the project realization and also the future tasks highlighting master curricula and training for civil sector.</p> <p>He also presented financial plan realization. It is told that till the end of March all partners should spend 70% of their budget in line with the realized project activities because we should submit interim report in the first half of April.</p> <p>SC adopted first and second QAC reports. Two risks were presented in order to prevent them on time and not to delay realization of project activities.</p> <p>The meeting ended at 17:30. The meeting was concluded with positive impressions and it was everyone's opinion that it was very beneficial.</p>
